

Bomb Scare In Downtown Tomah

Wednesday, 22 June 2011 21:07

Part of downtown Tomah has been evacuated, because of an apparent bomb scare...

Somebody reportedly made a threat concerning a car parked near a bank on Superior Avenue downtown. The State Patrol reported suspicious items inside the car, and a bomb squad was called in from Madison. About four blocks of Superior Avenue were cleared out, after the threat was made around 8 p.m.
