

Ralph's Snout Sniffs Out Another

Another drug bust with the help of Ralph the drug dog. La Crosse police have arrested 41 year-old Phillip Madison Sr. for dealing pot. They say a cop recognized Madison's car, stopped him and called for Ralph. Ralph made a hit on the car and, sure enough, cops found three bags of pot and some cash. Not a whole lot of marijuana; about 45 grams altogether. But it's enough to charge Madison with dealing.
