

A little health center with a big task ahead. Scenic Bluffs Community Health Center in Cashton. One of just a handful of centers in Wisconsin collecting fed grants to help people navigate the world of Affordable Care Act health insurance exchanges. Ideally, says Scenic Bluffs director Mari Freiberg, you should be able to do that on your own

[\(Click for Audio\)](#)

Freiberg says the center's plan is to find a place with a lot of foot traffic, sit down with a computer and start answering questions.
