A suspect is arrested in the double murder of a Barre Mills couple...

That suspect is the couple's 40-year-old son. Eric Koula of West Salem is being charged with the May shooting deaths of his parents, Dennis and Merna Koula, at their rural home. The younger Koula also is charged with forgery. The La Crosse County Sheriff's Department worked with state agents to find a suspect. Sheriff Steve Helgeson has planned a news conference for tomorrow to discuss the arrest.
