

Habitat in La Crosse needs to raise an initial \$200 thousand by the end

of May to help purchase the old Decker building, located at 3181 Berlin Drive. They have run out of room and need the space now says Director, Amanda Acklin.

Habitat for Humanity's goal is to raise \$1 million dollars to fund the purchase of the new building. The ReStore collects new and used donated building materials, which are then sold at a discount to the public. All proceeds from the ReStore support Habitat for Humanity's mission of ending poverty housing.
