

Watch for the walkers

Tuesday, 05 October 2010 16:14

Watch out for kids Wednesday morning...they are walking to school!

It's the international Walk to School Day event. The day is designed to educate children about pedestrian safety as well as to promote physical activity. The School District of La Crosse, in partnership with the La Crosse County Safe Routes to School Program and Gundersen Lutheran will have organized walks for Hamilton/ SOTA I, Franklin, Roosevelt, and Coulee Montessori, and Logan Middle School.

Mayor Matt Harter will kick things off at Powell Park at 7:30.
