The original margin was 439 votes out of about 60-thousand cast. He says he picked up 62 during the re-canvass. So has Ed Thompson defeated Kathleen Vinehout yet? Nope.

A recount continues in Senator Vinehout's district. The Democrat from Alma had her victory challenged by Thompson.

Two other recounts have been finished.....and Republicans are the winners. Republican Kathy Bernier unseated Representative Kristen Dexter by 78 votes and Republican Warren Petryk of Eleva defeated Representative Jeff Smith by 74 votes.

The results give Republicans a 60-to-38 majority over Democrats in the new Assembly that convenes in January.
