

It didn't take long to name a new football coach at Central High School.

Tony Servais will take over the reigns to replace David Cayler. Servais was one of two internal candidates interviewed for the job. The other, Jon Larson. Both Servais and Larson were assistant coaches under Cayler.

According to the school....Servais has demonstrated outstanding dedication to the Central Athletic program serving as an assistant for football and basketball and as an educator as well.

Cayler announced his resignation after 16 years at the helm...back in January.
