

Two Listening Sessions Canceled by Kapanke

Monday, 14 March 2011 11:16 -

Another listening session canceled for La Crosse republican state senator Dan Kapanke. Kapanke's office has sent out notices canceling two upcoming listening sessions. One for this Friday at the Garden Street Cafe in Ontario. Another a week from today at the Hazel Brown Leicht Memorial Library in West Salem. Although his office has offered no explanation for the cancellations, after Kapanke voted yes on a controversial budget repair bill last week, he received death threats and dozens of pro-labor protesters picketed his house on Friday afternoon, shutting down traffic on a French Island street.
