Getting old can be tough. Especially when you can't drive anymore. LaCrosse county aging unit director Noreen Kuroski says getting to the grocery store, the bank or even to visit a spouse in the nursing home can be a challenge. The MTU offers special rates for the elderly and disabled. The county also has a mini bus that picks you up at home and takes you to your destination for a reasonable rate. There is also the the Find a Ride Program where volunteers will give you a lift in their car. Kuroski says they need more of those volunteers.
