

Gundersen Lutheran's high-quality performance has been recognized by one of the nation's premier ratings systems. For the fourth year in a row and the fifth time overall, Gundersen Lutheran was named one of the nation's 100 Top Hospitals.

Among hospitals this year who have received the award at least five times, Gundersen Lutheran is one of only 13 hospitals in the nation to achieve this distinction four consecutive years. CEO Jeff Thompson says being in the top 100 is a great honor.....being number 1.....that's the goal.

The winning hospitals were announced in the March 28 edition of Modern Healthcare magazine.
