The La Crosse County Health Department- Public Health Nursing Division is dedicated to promoting wellness and preventing disease in individuals by offering childhood immunization programs. Partnering with Every Child by Two and the CDC, they work to raise awareness of the critical need for timely immunization and to foster a systematic way to immunize all children by age two.

Children's vaccine is available for children under 19 years-of-age; there is no cost for the vaccine itself. There is a \$15 dollar administration fee per person.

Appointments can be scheduled by calling the Public Health Nursing Division at 608-785-9723; hours are Monday-Friday from 7:30 a.m. to 5:00 p.m. Community clinics will be held at the following locations: Wednesday the 10th at the Holmen Middle School from 3-6pm and next Tuesday at the Onalaska Middle School from 3-6pm.
