

Car Vs. Train Accident

Sunday, 14 August 2011 20:57 - Last Updated Monday, 15 August 2011 10:52

Monroe County authorities are on scene at this hour of a train that hit a car near Sparta. Details are sketchy.....it happened around 9:15 off of Highway 16.....at the Iberia Street crossing which is off of Hammer Road. The crossing will be closed for quite a while.

The Pacific Northern train pushed the car quite a ways as emergency personnel are accessing the area by a bike path, near the tracks. They are reconstructing the accident now.

The female driver died at the scene. The name is not being released until family members are notified.
