

Parking Ramp Close to Changing Hands

Friday, 30 September 2011 08:50 -

The ten million dollar check has yet to be written. It's close. La Crosse public works director Dale Hexom says within thirty days, the city will hand over around ten million dollars to Riverside Center LLC to officially purchase the new 2nd street parking ramp downtown, which is now all but finished. The four floor parking ramp is already being used by the public.
