

Next week-end, you can make your lunch plans ahead of time for Historic Downtown La Crosse Days. At least on Saturday. That's when the State Bank Financial Chili cook-off will be held. 20th year for the fundraising event, says State Bank's Jodie Ehrenberger. And it's grown over the years from less than ten chili cooks to an expected forty-plus this year.

The chili cook-off, held in the parking lot of State Bank, benefits local Dare and Great programs as well as Habitat for Humanity.

This year, the cook-off is selling 20 year commemorative buttons to the event. The buttons come with admission for four and a prize entry.
