

Trans Siberian Orchestra Coming To Lacrosse

Tuesday, 29 November 2011 11:41 -

They are usually known for their electric, high powered musical sounds around Christmas time.....playing sold out shows all over the country. But the Lacrosse Center will be filled with different sounds this time when the Trans Siberian Orchestra performs in April. And with 2 huge concerts coming starting next month, Center Director Art Fahey says why go anywhere else?

Tickets are already on sale for Lady Antebellum and Miranda Lambert.....they go on sale December 9th for Trans Siberian Orchestra. Date of that show is April 19th.
