

All of a sudden, a couple La Crosse Aquinas graduates have been thrust into the spotlight.

Payton Sterba, now a student at Marquette, and Matt Hauptert, at Drake, have produced what has turned into a bit of an internet video sensation Aaron Rodgers tribute

"I could be your Jordy" is the name of the song

Payton Sterba. He and Hauptert wrote and recorded the Rodgers song while they were in La Crosse for Thanksgiving together. The video is also filmed in La Crosse and scenes include UWL, Riverside Park, and the Glory Days bar downtown.
