

Still No Arrests In Winona Arsons

Friday, 20 January 2012 12:09 -

Winona Police and Fire Departments believe that three fires that occurred in a 6 week period are linked, but have yet to make any arrests.

Winona Fire Department Assistant Fire Chief Jim Multhaup says two of the fires were residential homes, and the other an apartment building. All of the fires were in a three block area and are being considered arsons.
