

Deputies Look For Missing Man

Thursday, 02 February 2012 11:45 - Last Updated Thursday, 02 February 2012 11:59

A Monroe County man who was involved in an accident then fled the scene...is now missing. According to the Jackson County Sheriff's Department, 20 year Gene Cloud Jr. of Tomah, was last seen a week ago near Millston after his vehicle slid off the roadway and he ran into the woods. After the accident near Millston, Cloud ran into the woods after a deputy asked him for his driver's license. It was later found that he also had a warrant for his arrest. Deputies tried to track the man with a bloodhound last weekend after some of his friends and family reported they had not heard from him. He was seen a short time later walking on a county highway, but his whereabouts since then are unknown. Deputies issued citations to Cloud for driving without a valid license and driving too fast for conditions.
