

Johnson Shows Support For Walker

Friday, 17 February 2012 12:00 -

Senator Ron Johnson says he has stuck by Governor Scott Walker and his decision's from last year...and will continue to do so. He says if you look at the fiscal mess the state was in...he can fully relate with what the national budget looks like now.

Johnson says he wished sometimes it was as easy to do what Walker did with Wisconsin's budget.....compared to what it takes to agree on a national budget.
