Area veterans and fans of aviation are making their plans for another Freedom Fest in La Crosse this summer.

Organizers of the day-long celebration announced today that a rock concert by R-E-O Speedwagon and Three Dog Night will be a highlight of events at the La Crosse Airport. The Freedom Fest also features a motorcycle rally through the area, and another Freedom Honor Flight to take older veterans on a day trip to the nation's capital. This year, all the Freedom Fest activities will be on just one day...Saturday, June 19th.
