

Sparta 4th Graders Armed With Ipads

Thursday, 22 March 2012 21:41 -

Next year, all 4th graders in Sparta will be armed with IPAD's thanks to a referendum that passed back in February. But Superintendent, John Hendricks wonders, who will teach who when it comes to the new technology.

The future goal is that all 5th and 6th graders will be also armed with IPAD's. Hendricks hopes some teachers have had a chance to catch up with the technology before then.
