

## **Governor Signs Bill Atop Grandad Bluff**

Friday, 23 March 2012 11:42 -

---

A new state bill will lead to Bliss Road being designated a Scenic Byway, which will make the troubled route on Grandad Bluff eligible for state and perhaps federal funding for future upkeep. Governor Scott walker signed that bill atop Grandad Bluff today.

Only state or federal highways now qualify for consideration. This will add county highways, town roads and even city streets. State Representative Jill Billings introduced Assembly Bill 518/Senate Bill 401 along with state Senator Jennifer Shilling and state Representative Steve Doyle.
