Jasper, Texas is pretty proud of their very own Todd Faircloth today. As he ventures to the Bassmasters Elite Tourny in Green Bay this week...he takes with him a \$100 thousand paycheck. That, after winning the Elite Tourny in La Crosse held over the weekend. Faircloth said that he, in no way, thought he would win after a rough day Sunday.

And he did just that. A three and a half pounder with 15 minutes to go in the tourny. He topped Cliff Pace by over a pound.
