

Drunk Driver Busted with Two Sober Passengers

There's drunk drivers and then there's plastered drivers. A 22 year-old guy picked up by La Crosse police this week-end was something more of the latter. Jackson Broer picked up his first drunk driving arrest on Sunday. Blew a .345, more than four times the legal limit for driving. Cops say Broer was so bad off he couldn't figure out how to open the window when they approached. In the car; an open bottle of whiskey and two completely sober passengers. Broer is apparently also a suspect in a hit and run from February.
