Juneau County Deputies are looking for a man that they believe robbed a cabin and stole a jeep Tuesday.

On Tuesday, a suspicious vehicle was observed on 11th Street in the Town of Necedah. When someone approached the vehicle, a 2004 Black Jeep with Wisconsin plates, they observed an individual wearing gloves near the driveway to a cabin. The subject stated his name was Ron Smith and that he was looking for a friend. It was later determined that the cabin was burglarized and that the Jeep was stolen from a residence in Pittsville. It is believed that the operator of the vehicle may be an individual by the name of Eric Gorich. Anyone with information on the whereabouts of Gorich or the 2004 Black Jeep is asked to contact the Juneau County Sheriff's Office.
