

Winona Bridge Impacts Quite A Few

Tuesday, 28 August 2012 11:31 -

So how many people could be impacted by the building of a new 2 lane bridge connecting Minnesota and Western Wisconsin? Quite a few says Winona Mayor Jerry Miller. And all for the positive.

The second two lane Highway 43 bridge is being looked at for sometime in 2015 and has support of U.S. Senator, Amy Klobuchar. Miller hopes she can get the ball rolling on construction a year earlier.
