The pair stopped off at the La Crosse Republican Party Victory headquarters to thank volunteers who are helping collect items for victims of the east coast storms. Ryan said.....this is what we do.

The Romney campaign on Monday scratched events for both Governor Mitt Romney, who'd been scheduled to appear Monday night in West Allis, and for Ryan, who was to be in Florida. The events were canceled out of sensitivity for the millions of Americans in the path of Hurricane Sandy. President Barack Obama also cancelled a campaign visit to Green Bay so he could monitor the storm. Ryan will make 3 more Wisconsin stops today.
