

Principal Jobs Filled in La Crosse

Monday, 07 June 2010 12:27 -

Principal vacancies for La Crosse schools should be filled after this evening. The school board is scheduled at a meeting tonight to fill the openings left by the retirements of three elementary school principals. Laura Huber will take the job heading Roosevelt, Franklin and the Coulee Montessori schools on the northside. Steve Micheals is getting hired for the principal's job at Hamilton and Sota-1. And Michelle Shirel will take over the top job at Spence elementary. The district has already filled another principal slot that was to be vacant after this spring. This summer, Larry Myhra will return to the job he left two years ago as principal of Lincoln middle school.
