Eight years behind bars for one of the 'Get Money Boys'...

Eighteen-year-old De'aaron Appleton is going to prison for two counts of armed burglary, for a pair of home invasions in La Crosse last fall. Appleton apologized in court to the victims who were robbed at gunpoint...but Judge Dale Pasell says an example has to be set in this case. Appleton is one of several young men accused of targeting local drug dealers for robbery, allegedly because those potential victims might have a lot of money.
