

BADGERCARE+

Changes are coming for Wisconsin residents currently enrolled in BadgerCare.

Beginning Monday, the Wisconsin Department of Health Services will send letters to current BadgerCare Plus recipients, including individuals on the Core Plan Wait list. We asked Michael Richards of Gundersen Health System exactly how many letters will go out.

The letter will let people know about changes in their eligibility for the program due to changes in state law, as well as new options for healthcare coverage through the federal Health Insurance Marketplace.
