It's a fifth drunk driving arrest for a guy police busted early Sunday morning. La Crosse Police say 43 year-old Philip Cholka was passed out behind the wheel of his running car at a convenience store on Rose Street on the city's northside. A cop struggled to wake Cholka. Finally did after turning off the ignition and grabbing the keys through an open window. They say Cholka was very drunk and clearly disoriented. He thought he was in Sparta.
