So.....will you be of those shoppers waiting outside of a store at 3am tomorrow morning?
Your not alone. Matter of fact.....some folks have been waiting in lines since Tuesday.

Why? They want the hottest items out there this holiday season.

Valley View Mall Manager, Jeff Odem, says some stores at the mall open at 3am tomorrow...some at 5....and three....all various times. He says call your favorite store first....or you may be waiting for a long time to get what you need.....IF....it's still on the store shelf.
