

Doyle Says Yes To Run

Tuesday, 11 January 2011 13:41 -

His county has the 4th lowest unemployment rate and 5th lowest property taxes in the state. Throw in an always balanced budget and Lacrosse County Board Chair Steve Doyle says he has all he needs to run for the 94th state assembly district seat.

Doyle announced this morning that he will give the open seat a shot.....and says he knows he won't have much time to get his word out as a special election could be called for with a primary in April. But Doyle says if you expect him to spend the most money and sling the most mud....well he's not your guy.

His challengers.....so far....Jake Speed and Lynetta Kopp.
